

Summer 2009

## Social Skills Classes Preschool Play Skills & Individual Tutoring

### Social skills groups:

- Groups meet one time per week for eight weeks. Class tuition is \$350.
- Summer session begins the week of June 15th and ends the week of Aug. 3rd.
- Classes are held at the Boost! classroom, located within Spirit of Joy Church, 7570 210th St., Lakeville

Boost! social skills classes closely follow the curriculum written by Jed Baker, "Social Skills Training". Families and teachers (if applicable) will fill out Baker's "social skills menu" when registering their children for class.

Skills will be taught using a technique called "structured learning". "Structured learning" contains four components: (a) didactic instruction (verbal or pictorial explanation of the skill steps), (b) modeling, (c) role playing with feedback, and (d) practice assignments for outside the group. Skill areas students may work on include conversation skills, cooperative play skills, friendship management, self-regulation, empathy, and conflict management.

Each class session is 60 minutes long. Each session includes a check in, skill time (following the "structured learning" steps), game and guided playtime. All students will have a folder that will include a skill sheet for the week's practice assignment as well as session notes and reminders. Progress will be shared at the end of the session.

### Preschool play skills groups:

- Groups meet one time per week for eight weeks. Class tuition is \$250.
- Summer session begins the week of June 15th and ends the week of Aug. 3rd.
- Classes are held at the Boost! classroom, located within Spirit of Joy Church, 7570 210th St., Lakeville

In this group, children ages 3-5 will have the opportunity to work on beginning play skills, understanding and dealing with emotions, and group skills. This class is ideal for children who may not have a medical and/or educational diagnosis relating to social skills difficulties, but do need a "boost" in increasing their social skills. This group will also be appropriate for children receiving ECSE programming as a supplement to work in-depth on social/emotional development.

### One-on-one support:

If your child has behavioral needs that require one-on-one support in school, we will also require one-on-one support in our classes and camps to ensure all students are getting the most out of the program. If your child has a PCA, we are happy to have that person provide the support needed during the class. Otherwise, we will provide the support. Please indicate below your need for 1:1 support for your child.

___	1:1 support for class (provided by Boost!)	\$12.50/hour
___	1:1 support for class (provided by family)	No Cost

### Individual Tutoring:

One-on-one tutoring sessions are available with one of our licensed teachers. Sessions are 60 minutes in length. With you and your child, Boost! educators will develop a plan for your specific needs to help him or her develop the skills needed to succeed in life. In addition to traditional academic tutoring, we are able to provide developmental tutoring for young children (birth to five) who may be demonstrating delays in various areas. We also provide individual social skills training/tutoring for children with low receptive language/joint attention skills.

Please indicate on the registration form that you are interested and we will contact you to set up a schedule. Price: \$40 per session (1 hour).

## Developmental Camps for Youth

### **Boost! Summer Camps:**

- Camps are designed to be fun, recreational opportunities for children to explore and practice their social skills while under the direction of our highly trained staff.
- Each camp runs Monday through Friday and lasts three hours per day.
- Camps are held at the Boost! classroom, located within Spirit of Joy Church, 7570 210th St., Lakeville
- One-on-one support is welcome and available. Please see back side of this page for more information.
- The maximum number of campers is eight (8) for our Jr. Boost group and ten (10) for our elementary groups.
- We reserve the right to cancel camp if we have fewer than four (4) students enrolled one week prior to the start of the session.
- Discounts are offered for enrolling in multiple weeks: \$300 for one week; \$550/two weeks; \$800/three weeks; \$1000/four weeks

### **Jr. Boost! Camp (for campers ages 4 - 6):**

Jr. Boost! campers will come and enjoy a half day filled with sensory rich games and adventures. We will work on skill building in the areas of friendship skills, communication, and motor development. Our main goals for the week are to make friends and HAVE FUN! Small groups are led by a certified teacher, assistant teacher, and are supported by a consulting speech therapist and occupational therapist.
