Hello Families

February 20, 2008

As an incentive to turn your registration in early, I am offering reduced registration for our spring session. For registrations including deposit mailed NO LATER than March 17<sup>th</sup>, the class fees will be as follows:

**Preschool Play Skills** **\$200**

**Social Skills Class (kindergarten – 9<sup>th</sup> grade)** **\$500**

Registrations postmarked after that date will be charged the regular class fee.

The finalized class schedule will be available on Monday, March 24<sup>th</sup>, with classes beginning the next Monday, March 31<sup>st</sup>.

We are also planning for our summer classes, and are looking forward to offering some interesting one week camps in addition to our regular classes. Watch for our summer schedule to be announced mid-April.

Take care!
