

## Social Skills Classes

Boost! social skills classes are designed to help children with social issues related to diagnoses such as ADD/ADHD, autism spectrum, sensory integration disorders, learning disabilities, or for any child who is having difficulty with their social functioning. We focus on teaching children critical social thinking and related social skills.

Enhancing the social,  
emotional and  
educational  
development of  
children with unique  
learning styles.

## Social Skills Classes K-7<sup>th</sup> grade

Boost! social skills classes are taught using curriculum from Michelle Garcia Winner, Jed Baker and others. We design each class's lessons on the specific needs of the class members. Therefore, no two class sessions follow the exact same curriculum. Our lessons heavily focus on the concept of "Theory of Mind", which involves working with children to help them understand their own and others thoughts, emotions, and intentions.

Skill areas students may work on include but are not limited to conversation skills, cooperative play skills, friendship management, self-regulation, empathy, and conflict management. We use evidence-based practices to guide the structure of our groups, which include a check in, instruction, practice, and feedback with reinforcement.

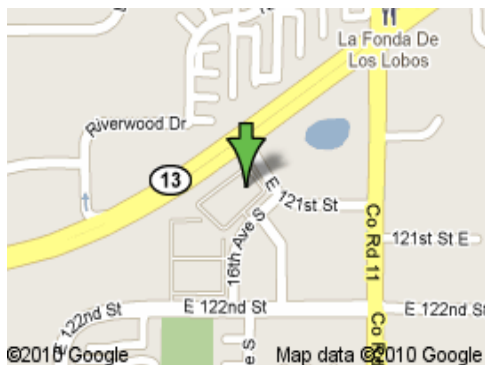

Boost! is excited to offer several unique classes during the spring session. We have our **Girls Only Group** for grades 2-5. This group focuses on friendship and building self-confidence. Our new **Preteen group** (grads 5-7) will target self-advocacy and perspective taking.

## Preschool Play Skills Ages 3 - 5

In this group, children ages 3-5 will have the opportunity to work on beginning play skills, understanding and dealing with emotions, and group skills. This class is ideal for children who may not have a medical and/or educational diagnosis relating to social skills difficulties, but do need a "boost" in increasing their social skills. This group is also appropriate for children receiving ECSE programming as a supplement to work in-depth on social/emotional development.

### Details

- All classes meet for 60 minutes one time per week.
- Class ratio is 3-6 students with 2 adults.
- A \$100 deposit is required to hold your child's place. The remainder is due one week prior to the start of class.
- Cancellations up to one week prior to the start of class will be refunded less a \$25 administrative fee. There will be no refund for classes cancelled less than one week prior to the start of class.
- We except cash, check, and credit card payments.
- If your child is eligible for MA/TEFRA and has a consumer support grant, please discuss with your child's social worker if this program would be eligible for the use of those funds.
- Some children may require a one-on-one support person to fully participate in our programs. Please contact us if you think this may apply to your child.
- New families will need to complete an enrollment form and a social skills menu prior to the start of class. Find the forms at [www.boostlearningenrichment.com](http://www.boostlearningenrichment.com), or call (952) 807-1081.
- **Classes are now at our new location at 1601 East Highway 13, Suite 209 in Burnsville, MN.**
